SAINT BONIFACE Preschool CHRISTIAN • MONTESSORI

The Saint Boniface Preschool is designed to present a multi-age preschool curriculum while exploring the exciting world around us!

The St. Boniface Preschool Program strives to authentically embody Maria Montessori's methods, as defined by the Association Montessori Internationale. However, it goes beyond A.M.I.'s rigorous academic standards of excellence by also emphasizing the distinctively Christian anthropology at the foundation of Maria Montessori's insights. The Montessori method stripped of Montessori's spiritual vision is not a full realization of what Montessori intended. The St. Boniface Program preserves the full integration of spiritual, physical, and mental learning in everything that it does, but especially in the Atrium—a space devoted to the Catechesis of the Good Shepherd. In the Atrium, children encounter joyfully the treasures of the Christian faith, laying a firm foundation for a virtuous and faithful life.
